CAD STANDARDS

[CAD STANDARDS – VERSION 1.0](#): The City of Santa Barbara's CAD Standards are designed to maximize the efficiency and quality of design for all City of Santa Barbara staff and consultants.

[CAD .ZIP FILE](#): This .zip file contains all of the templates, blocks, plot configurations, and data files necessary to use the CAD Standards.

[EXAMPLE SHEETS](#): This .pdf file demonstrates how the title sheet and secondary sheets should appear when plotted using the CAD Standards.
